I ble'r aeth PCP(CCU)?
Where did PCP go?

We asked the 6 Learning Disability teams to tell us what they know about PCP.

Roedden nhw eisiau mwy o hyfforddiant.
They wanted more training.

Rhywun i gydlynu CCU.
Someone to coordinate PCP.

Help i ddefnyddio'r offer yn fwy creadigol.
Help to use the tools more creatively.

Pobl ag Anableddau Dysgu

People with Learning Disabilities

Ddim yn gwybod am PCP, Proffiliau Un Tudalen, adolygiadau a sut mae ysgolion yn eu defnyddio.

Most did not know about PCP. They did not know about One Page Profiles and reviews and how schools use them.

Rhai pobl yn arfer bod â chynlluniau ond ddim mwy. PCP i'r gwasanaethau ac nid nhw. Nid oedd pobl yn cymryd rhan mewn Adolygiadau CCU.

Dim digon o greadigrwydd a syniadau i gynnwys pobl sydd ddim yn defnyddio geiriau
Some people used to have plans but didn't any more.

They said PCP had become about services and not them.

People were sometimes not involved in Person Centred Reviews. Not enough creativity and ideas to involve people who don't use words

Darparwyr Providers

Darparwyr yn gwybod am CCU. Yn defnyddio yn y dechrau.
Providers knew about PCP tools and use them at the start.

Levelau staffio, diffyg hyblygrwydd a brwdfrydedd. Poeni am risg.
Staffing levels, Flexibility and enthusiasm. Risk aversion.

Nid yw staff yn defnyddio pan fyddant yn nabod y person.
Staff do not always use when they know the person.

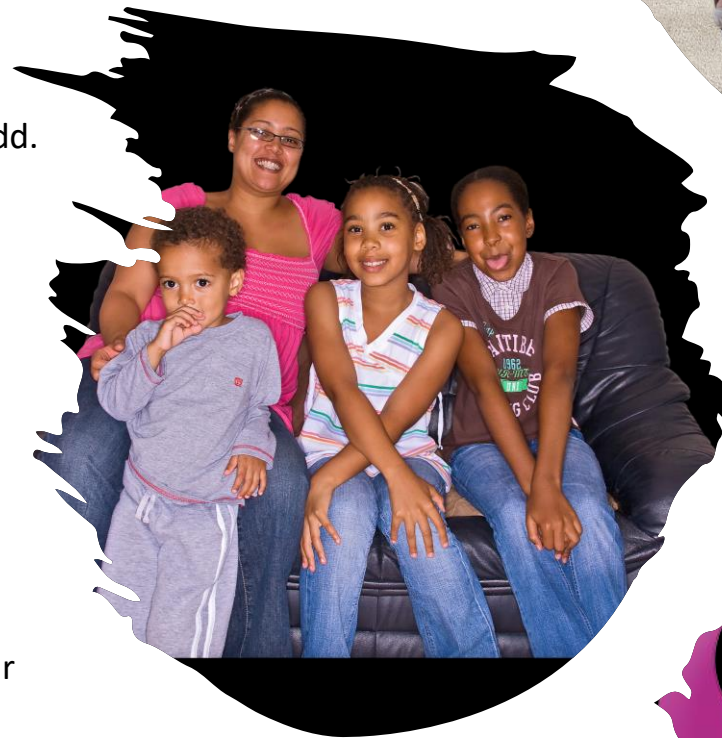

Ddim yn gwybod am y mathau eraill o adnoddau PCP oedd ar gael.
Providers did not know about the other types of PCP resources available.
